

NOTICE - EVENTS, ACTIVITIES & BOARD MEETINGS

Due to restrictions of movement put in place by the Greek Government from 14 March 2020 it would be illegal for the CIC to organise any events, activities or meetings of any kind.

The Articles of Association require The Board to meet monthly which clearly is not possible. In this case the Civil Code and Laws of Greece overrule The Articles of Association and The Board is fully confident that it is acting in a legal and lawful manner.

As soon as restrictions are lifted The Board will meet, advise members and create a suitable programme as permitted.

Stay safe!
